Cllr David Aston

Cllr John Spanswick

Mrs R Keepins – Clerk of the Council

#### 6. Apologies for Absence

Cllr Ian Hibble

Cllr Keith Hughes

#### 7. Declarations of Interest

None

#### 8. Terms of Reference for the Wellbeing of Future Generations Committee

The Clerk presented the draft Terms of Reference that had been discussed at the Committee's previous meeting in March. The Clerk also presented Members with information they had requested regarding the involvement of Non-Councillors on the Committee. Members agreed that it would be best to invite individuals or local groups onto the Committee as and when needed to provide valuable insight and knowledge to assist the Committee and its work.

#### **Resolved:**

The Committee agreed the following Terms of Reference along with a Quorum of 3 Members for meetings, to keep it in line with that for all other Committees, and a target of at least of 4 meetings to be held each year:

:

### Terms of Reference

- To develop and review the Community Council's 5 Year Plan, for final approval and regular monitoring by Full Council.
- To develop a series of Wellbeing Objectives for the Community Council, for recommendation to Full Council.
- To consider the establishment of a Wellbeing Assessment Tool for the Community Council to help inform its decision making and planning and to develop a focus of wellbeing in the local community.
- To consider the Welsh Government's Wales Placemaking Charter and the development of a Placemaking Plan for Brackla that links with the Authority's Local Development Plan.
- To consider how the Council can actively engage the community of Brackla and ensure that all ages are involved and represented.
- To promote and encourage Environmental awareness and sustainability within the community and actively engage with local schools, organisations and businesses, to help implement associated plans and projects e.g. Biodiversity Plan and Brackla 'Love it, Don't Trash it' project.
- To consider inviting individuals or local groups onto the Committee at specific times to utilise their knowledge and assist the Council and also consider how the Council and its Members can likewise get involved with local groups if requested.
- To provide regular updates to Full Council on the Committee's work in order to seek and encourage contributions, ideas and commitments from all Council Members.

It was furthermore agreed that a recommendation be presented to Full Council that Members explore having a Youth Councillor on the Council once again and that the individual be encouraged to sit on the Wellbeing of Future Generations Committee so as to ensure that the voice of young people is represented.

The above was proposed by Cllr J Spanswick and seconded by Cllr D Aston, for recommendation to Full Council at its next meeting on 15<sup>th</sup> April 2021.

## **9. Forward Work Programme**

### **Resolved:**

Following discussion over the draft Forward Work Programme, the Committee agreed to amend Play Areas to 'Play Space and Equipment' and to add in Tree planting as a subject to be considered under Biodiversity. It was also agreed that the Committee would take on consideration of the Play area and fitness equipment inspections and resulting actions.
